GPC Return Policy

as of 1/1/2009

14-day return period

We accept returns up to 14 days from the original purchase. Original receipts are required for all returns. All parts must be present in the original package.

30-day exchange period

We accept exchanges for defects for 30 days from the original purchase. Original receipts are required for all returns.

Non-returnable items

Non-returnable items include labor and/or installation services, software or items that are damaged or abused.

Build-to-Order computers are Non-Refundable/Non-Returnable except for exchange of defective parts within 30 days of purchase.

Special Order Products are Non-Refundable, unless defective within 30 days of purchase.

Restocking fee

A restocking fee of 15% will be charged on opened merchandise. All parts must be present and in the original package.

Refund method

Refund will be in the same form as original purchase. Exceptions: Cash more than \$50 will be refunded in the form of a check.

Consignment and Used Parts

Items are sold AS IS and GPC is not responsible for any hardware or software malfunctions or damage caused by items after purchase.

Returns within 3 days are at the discretion of GPC, provided consignee has not been already paid.

GPC Computers reserves the right to require identification and refuse any return.

GPC Recommended Software

Avira (Free)

An alternative anti-virus program. Download it at: <http://www.avira.com/en/avira-free-antivirus>

Mozilla Firefox (Free)

An alternative full-feature web browser to Internet Explorer. Runs better and is more secure. Download it at: <http://www.mozilla.com/en-US/firefox/>

(Note: Use Internet Explorer when doing Windows Updates from Microsoft)

Open Office Version 3.1.1 (Free)

An alternative to the Microsoft Office Suite. Has a word processor, spreadsheet and presentation application. Be sure to "Save As" documents in the Microsoft format. Download it at: <http://download.openoffice.org/index.html>

Mozilla Thunderbird (Free)

Another option for email. More secure than Outlook. Download it at: <http://www.mozilla.com/en-US/thunderbird/>

Picasa Version 3.5 (Free)

A software download from Google that helps you organize, edit, and share your photos. It's free, and easy to use.

Download it at: <http://picasa.google.com/>

VLC Media Player Version 1.0.3 (Free)

A highly portable multimedia player for various audio and video formats (MPEG-1, MPEG-2, MPEG-4, DivX, mp3) as well as DVDs, VCDs, and various streaming protocols. Great for playing DVDs on your computer. Download it at: <http://www.videolan.org/vlc/download-windows.html>

Ad-Aware (Free)

Real-time protection against spyware, trojans, rootkits, hijackers, keyloggers, and more.
